(2016-August) Youth Retreat.

We organized a Youth Retreat for the young people in our church in Wallondry, St Raphael. The purpose of the activity was to hold a Purity Conference. We tackled several tough subjects, including pornography, how a Christian should use a cell phones, and morality in a modern internet society. Our young people were excited as they travelled 2 hours in the back of a dump truck from Wallondry to Cap Haitian so that they could participate in the conference.

(2016-August) Bible Seminar on the Book of Romans.

We held a Bible Seminar on the book of Romans on our main campus in Wallondry, St Raphael. Over 80 people attended the 5 days of classes. We had a team of 5 preachers who taught during the week; Pastors Keith Baker, Tim Bower, Vanier Pierre, Rodelin Phanet, and Frisnel Pierre. The book we used for the seminar was written in Creole by Tim, who was able to complete it in time for use in the seminar.

(2016-July) Eglise Baptiste Schilo - First Year Anniversary in Dubout.

Pastor Rodelin Phanet along with seminary student Daniel Luca celebrated the first anniversary of the implantation of their ministry in August 2015. We have rented a government building in Dubout, just east of Limonade. We were pleased to see it packed with visitors. Because of the lack of room, many of the visitors had to stand outside and look through the windows. What a wonderful problem to have!
