(2017-April) Children's Church !

The children's church ministry never makes the news. RoseAnne, Mrs. Baker, and our children work tirelessly with the children here at Maranatha Baptist Church in Wallondry. There are normally over 80 children every Sunday morning. The activities, riot control, and Bible lesson make for a tired body after church. But, each of these children hears a clear gospel message every Sunday. It's hard to say how many hundred children have accepted the Lord as a result of this ministry.

(2017-March) Programs.

The semester is continuing on as normal at the seminary. Throughout the month of March, Tim taught a class on Religions, Cults, and Denominations.

(2017-February) Programs.

The Monday after the construction in Ouanaminthe was completed, Tim began teaching his four week seminary class on the Gospel of John.

Every year during Mardi Gras, we organize a Youth Retreat to divert the attention of the young people in our church away from the drugs, drinking, and immoral activities that are traditionally a part of the Mardi Gras festival. This year, 65 of our young people went to Pastor Yves' new church in Ouanaminthe. Yes, that is the same church we just finished building. They were eager to see what the Lord has been doing there, as well as to take part in several days of evangelism to give this new church a "shot in the arm."

(2017-January) Programs.

Pastor Yves Anselme is pastor of a church in Ouanaminthe, a large city on the northern border of Haiti and the Dominican Republic. For the past year, Pastor Yves has been meeting with his church in a makeshift structure covered with a few pieces of rusty tin and a torn tarp. In rainy weather, they would simply get wet while trying to hold services. It was our pleasure to team together with Colonial Hills Baptist Church, Lloyd Gordon, and some friends from our supporting churches in Canada, to build a 60 ft square church building for

Pastor Yves and his church. What a blessing to see the church go from the foundation up, to be completed in less than 10 days. Pray along with us that this church is a lighthouse for the gospel of Jesus Christ.
