(2017-August) Four Children At PCC

Our twins, Michael and Samantha, graduated from High School this past June. They decided the Lord want them to attend Pensacola Christian College in Pensacola, FL. Lloyd and Joshua, our oldest kids, are at PCC as well and will help make the adjustment a little easier. We went back stateside for the summer to help the kids find jobs and figure out how they are going to work through college. They are not afraid of hard work, but growing up in a third world country speaking French and Creole has them a little out of their element. The United States is a foreign country to them. Pray for them as they struggle to adapt and make friends and that the Lord will provide for our four children at PCC as they work hard to pay their own way through school.

(2017-September) Harvest Revival in Ouanaminthe

Pastor Yves Enselme, of Smyrne Baptist Church of Ouanaminthe, held his annual Harvest Revival in September to mark the one year anniversary of the construction of the church building. We helped to build the church in February 2016 and were glad to be part of the anniversary. Tim was privileged to preach the final service on Sunday Morning. Over 700 people were in attendance.

(2017-September) Harvest Revival in Cadush

We were glad to be a part of the annual Harvest Revival in Cadush as well. Pastor Hector Couloute was celebrating a 6 month anniversary of the construction of a temporary church structure. We had been meeting in a rented building, and moved across the street after building a structure made of palm tree boards. Tim preached to a group of over 100 people, many of whom were unchurched visitors.

(2017-October) Seminary Class on Church History

The full time seminary program kicked into full gear again this fall as Tim taught a 4 week, 5 days a week class on Church History at Maranatha Theological Seminary, here on our Wallondry campus.

(2017-November) Teaching and Discipleship Ministry

One of the focuses of our ministry is training and discipleship. Our full time seminary program runs from Monday through Friday. But we also have a Saturday program for pastors and church leaders whose schedule does not allow them to participate in a full time program. Tim is teaching a class on 1 Timothy for this Bible Extension Program every Saturday through November and December. Besides the regular pastoral duties, and preaching obligations, Tim was also able to teach a two day class on faithfulness for the members of Eglise Baptiste Mahanaim, in Mathador, Dondon. We are thankful to have continued contact with our church plants. It is a blessing to see them grow.
