(2018-July) Motorcycle purchase for new church planting effort near Bahon

Pastor Constance started evangelism in a new area called St. Malon, between Grande Riviere and Bahon. Several of our seminary student also want to start evangelism in an unreached area called Roy, about 20 kilometers from St. Malon on the south side of Bahon. However, the local transport costs are prohibitive. So, we purchased a motorcycle to facilitate this evangelistic effort. We are praying that this will become the groundwork for two separate church plants in the future.

(2018-July) Summer English Classes

Joshua Bower, our son, came back home during college break to help teach English classes during the summer. It was exciting to partner in ministry with him as we taught side by side. The English

classes offer an opportunity to invite unsaved people throughout the community to come onto our seminary campus. We use teaching English as a foreign language as an opportunity to spread the gospel.

We are planning to continue these classes every summer starting in June through to

August. There will be a variety of classes taught, floral classes, a cake decorating classes, a small engine repair classes, English classes, a CPR - first aid class, and computer classes.

But, we need teachers for these classes. Anyone with talent in these areas and willing to give a week or two of their time during the summer, from July to August 2019, please contact us at our email address: bowerhaiti@gmail.com.

(2018-August) Bible Seminar

We host 3 Bible seminars every year, the first week of January, the week before Easter, and again the last week in August. Our August seminary was on Christian Growth with 141 attending. A majority of those participating are young people from area churches. We praise the Lord for the desire he has given these young folks to study God's Word .

Mission Board Address (financial corresp):

Bowers c/o Open Door Bapt Mission, 1115 Pelham Rd, Greenville, SC 29615 (864) 297-7890
